

Global risk mitigation, intelligence, and physical security services for multinational corporations, governments, aid organizations and private individuals.

WHO WE ARE

Overseas Security & Strategic Information, Inc. (“OSI”) is an international security company providing risk mitigation, intelligence, and physical security services to multinational corporations, governments, aid organizations and private individuals. Operating throughout the world on security and logistics projects for over a decade, we offer a dynamic and responsive security partner, allowing our clients to best achieve their objectives.

OPERATIONAL APPROACH

Reliable Security Partner

Our mission is to provide a security partner that can meet our clients dynamic needs. We seek to develop long-term relationships, often going beyond the basic requirements of the job to ensure our clients operational success. From highly specialized operations, to long duration projects, we remain dynamic and responsive.

International Reach Local Knowledge

OSSI has provided security services globally since 2000. Throughout our years of operation, our cadre of experienced, culturally adept professionals have refined and improved their techniques and procedures to ensure that we provide the most contemporary approach to operate in any environment.

Security Professionals

OSSI distinguishes itself from other security providers by employing the highest caliber security management personnel. On high-risk operations, our seasoned professionals are experienced, mature operators with either extensive military combat time or active special police experience.

Social Responsibility

Our personnel have extensive experience working remotely in a variety of foreign territories, collaborating and integrating with the local community to facilitate our operations in an appropriate and respectful manner, while at all times remaining acutely aware of regional security threats.

International Code of Conduct for Private Security Service Providers

The OSSI Chief Executive Officer signed The International Code of Conduct for Private Security Service Providers (“ICoC”). The Code of Conduct was signed or endorsed by over 70 international private security firms with the objective of strengthening respect for human rights within their operations.

International Stability Operations Association

The International Stability Operations Association (“ISOA”) is a non-profit trade association, founded in 2001 as the International Peace Operations Association (“IPOA”). The ISOA is committed to raising the standards of the peace and stability operations industry to ensure sound and ethical professionalism and transparency in the conduct of peacekeeping and post-conflict reconstruction activities.

RESPONSIBLE VALUES

OSSI IS FOCUSED ON SUPPORTING OUR CLIENTS TO ACHIEVE THEIR OPERATIONAL OBJECTIVES. AS SUCH, WE OFFER A CUSTOMIZABLE APPROACH AND TURNKEY SECURITY SOLUTION. FROM PROJECT PLANNING, INITIAL MARKET OR COUNTRY ENTRY SUPPORT, TO OPERATIONAL OR MISSION SUPPORT, LOGISTICS AND LONG-TERM SECURITY MONITORING, OSSI PROVIDES DEPENDABLE SERVICE AND RESPONSIVE CUSTOMER INTERACTION.

Physical Site Security

Working closely with the client, OSSI offers tailor-made solutions to a client's site protection needs. Our experience managing operations ranging from high-risk facility protection to long-term monitoring allows us to provide a wide variety of options and project expertise.

- Project Support and Security Management
- Long-Term Monitoring and Guard Services
- High-Risk Facilities and Construction Site Protection

OUR SERVICES

Close Protection & Personal Security Detail

OSSI has over a decade of experience offering personal protection services. Our clients include international contractors and aid workers operating in various warzones, project teams entering disaster areas, musicians & VIPs, and state dignitaries on international missions.

- Executive Protection
- Warzone Personal Security Detail
- Onsite Close Protection Escort
- Counter Surveillance

Transportation and Logistics

OSSI supports people and assets to reach their operational objectives. Our accommodation and life support capabilities allow our clients to live in remote and volatile locations, while our transportation services facilitate mission-essential supply chains.

- Initial Market / Country Entry Support
- Life Support & Accommodation
- Convoy Security
- Asset Protection

Special Operations

With a history of working in some of the most volatile regions on the globe and a cadre of highly experienced security operators, OSSI has the capabilities to support specialized operations and respond to crisis situations.

- Crisis Response & Natural Disaster Relief
- Anti-Piracy & Maritime Security
- Explosives Detection & Demining

Training

OSSI provides training courses for a variety of situations. Our customized courses range from Introductory H.E.A.T. Training for non-security personnel entering a hostile environment, to more technical skills, including weapons, medical, and country-expertise specializations. Our highly skilled trainers instruct practical skills that can prove invaluable for operating in remote or hazardous situations.

- Static, Close Protection, and Mobile Security Training
- Remote Training
- Military and Law Enforcement Training
- Operational Support & Project Management

Security & Operational Intelligence

OSSI provides intelligence analysis and security assessments to allow companies to make informed decisions about their operations. Preparedness is key to risk mitigation and, as such, OSSI places strong emphasis to situational awareness.

- Risk Assessments & Security Analysis
- Corporate Security Reviews & Audits
- Instant Incident Reports
- Security Summary Reports
- Crisis Management
- Foreign Business Practices, Tax Management & Government Regulations Consulting
